

MEMO

The small-scale patterned texture of the woollen fabric MEMO is perfectly suitable for acoustic products, as well as for lounge furniture and accessories.

MEMO is a versatile fabric. The design is available as a woollen upholstery quality with high abrasion resistance, and as a lighter version perfect for acoustic products. Along with the standard colors, the design can be produced with unique color combinations. To match with the interior and the colors of the furniture.

MEMO - as well as our other woollen upholstery fabrics - is designed and woven in Finland. By using hydropower and European certified materials.

60% wool
 40% polyester
 Fabric width 140cm
 Dry clean / gentle wash 30°

SL 1
 Abrasion resistance: 57000 Martindale
 Color fastness / light 6 (1-8)
 Color fastness / abrasion 4-5 (1-5)

IMO FTPC Part 9
 SFS-EN ISO 12947-2
 EN ISO 105-B02(1999) + AM(2002)
 SFS-EN ISO 105-X12
