

KIVIKKO

The organic lines, tree-dimensional surface and delicious colors of our KIVIKKO interior design fabric brings comfort and joy into the space.

Flame retardant KIVIKKO can be washed in 60 degrees, and it is an excellent fabric for bedcovers and for cushions and soft furniture as well in hotels as in learning environments.

There are 6 standard colors in KIVIKKO color chart, and for projects we offer customized colour combinations.

KIVIKKO is designed and produced in Finland
