KIVIKKO

round floor cushion

Diameter: 60 cm

Height: 16 cm

Cosy KIVIKKO floor cushions are designed especially for day-care and learning environments. Charming colors and lively textures give joy for all your senses.

KIVIKKO floor cushions are made of our versatile fabric Kivikko, that tolerate usage and 60 degree laundry without pilling. Cushion cover is removable and the carrying handle attached makes it easy to move the cushion. For padding we offer either solid or crushed filling foam from leftover pieces.

Solid cushion is available fully draped or with anti slip fabric on the bottom.

KIVIKKO floor cushions are designed and produced in Finland.
